Overview

Murata Manufacturing Co. Ltd. is submitting application for approval of their model 1CD, Part No. LBWA1ZV1CD-716, for full modular approval. The 1 CD is an 802.11 b/g/n IC without built-in antenna. The IC does not have enough physical room for placing the FCC ID on the device so it is contained in the manual. Installers are instructed to affix the FCC ID with proper verbiage on the host device.

Confidentiality requested for allowed files. Request is properly addressed and referenced.

Short term confidentiality requested.

A letter listing the applicable modular requirements was submitted.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
